PRIVACY POLICY AND DATA PROTECTION DECLARATION

General Data Protection Regulation — Regulation (EU) 2016/679

Effective Date: November 4, 2026

Jurisdiction: Republic of Latvia / European Union

1. GENERAL PROVISIONS & DATA CONTROLLER

1.1. This Privacy Policy sets out the principles and technical basis under which personal data is collected, processed, retained, and protected when accessing and interacting with the Minecraft multiplayer gaming network and related web services (hereinafter the "Service", "Project").

1.2. The Data Controller pursuant to Article 4(7) of Regulation (EU) 2016/679 (GDPR) is the operational entity registered in the Republic of Latvia:

- Legal Entity / Individual: Self-employed individual (Pašnodarbinātā persona) Aleksandrs Geletejs
- Registration / Personal Code: 12090321578
- Registered Address: Baloži, Krišjāņa Barona iela 2, LV-2128, Latvia
- Official Privacy Contact Email: roleboba.live@gmail.com
- Official Website: https://nexusland.nexus/
- Discord Community: https://discord.gg/TcGuyhDY7G

1.3. Processing operations comply with Regulation (EU) 2016/679 (GDPR) and the Personal Data Processing Law of the Republic of Latvia (*Fizisko personu datu apstrādes likums*).

2. CATEGORIES OF DATA PROCESSED

In strict adherence to the data minimization principle (Article 5(1)(c) GDPR), we process only the data strictly necessary for server operations:

2.1. In-Game Identifiers & Identity Data

- In-game nickname (Minecraft username)
- Mojang/Microsoft universally unique identifier (Minecraft UUID)
- Discord account identifiers (Discord ID) and email addresses (if supplied during account registration, web store checkout, or support ticket submissions)

2.2. Network & Technical Telemetry

- IP address upon connection
- Session connection timestamps and packet logs
- In-game telemetry and anti-cheat packet heuristics (coordinate tracking, movement velocities, click frequencies), processed in real time to detect illicit game client modifications, bots, and macro scripts

2.3. Transactional & Order Information

- Payment processor transaction identifier (Transaction ID)
- Date, time, currency, and amount paid
- Purchased digital items, ranks, or passes
- Payer country and masked tokenized references generated by payment gateways

Note: The Service does not process, handle, or store complete primary account numbers (PAN), credit/debit card numbers, expiration dates, or CVV/CVC security codes. Financial transactions are conducted entirely through certified PCI-DSS compliant third-party payment gateways (e.g., Stripe, European merchant acquirers).

3. LEGAL BASES FOR PROCESSING (ARTICLE 6 GDPR)

Data is processed strictly in accordance with recognized lawful grounds under Article 6 of the GDPR:

Legal Basis	Applicable Operations & Scope
Performance of a Contract(Article 6(1)(b) GDPR)	• Granting access to the multiplayer gaming servers.• Associating and delivering purchased virtual perks, licenses, and currency to the respective User Account.
Legitimate Interests(Article 6(1)(f) GDPR)	• Protecting server infrastructure against Distributed Denial of Service (DDoS) attacks, brute-force exploits, and network abuse.• Ensuring fair-play standards and game integrity via automated anti-cheat monitoring and player behavior moderation.• Investigating ban appeals, dispute tickets, and security breaches.
Legal & Statutory Compliance(Article 6(1)(c) GDPR)	• Fulfilling accounting, tax reporting, and audit requirements under Latvian fiscal laws (including the Latvian Accounting Law — *Grāmatvedības likums* and State Revenue Service / VID regulations).

4. DATA RECIPIENTS & PROCESSORS

Personal data is never sold, traded, or rented to external marketing or advertising agencies. Data may only be shared with trusted data processors under strict contractual data processing agreements (Article 28 GDPR):

- Server hosting and cloud infrastructure providers located within the European Economic Area (EEA).
- Network security and anti-DDoS mitigation proxies (such as Cloudflare and Minecraft proxy routing networks).
- Certified financial payment institutions and merchant processors (Stripe, European payment institutions).

5. INTERNATIONAL TRANSFERS

5.1. Primary server systems and operational databases are hosted within the territory of the European Economic Area (EEA).

5.2. Where technical integrations (such as Discord API or specific cloud edge services) involve transfers outside the EEA, transfers occur solely pursuant to standard contractual clauses (SCCs) adopted by the European Commission under Article 46 GDPR or applicable adequacy decisions.

6. DATA RETENTION PERIODS

Category of Data	Retention Policy	Statutory Justification
User Account & Identifiers	Operational lifetime of the Project or until verified erasure	Contractual necessity and continuous entitlement delivery
Network & Telemetry Logs	30 to 90 calendar days on a rotating basis	Infrastructure security, DDoS defense, active ban enforcement
Transaction & Billing Records	Mandatory period of 5 years	Latvian Accounting Law (*Grāmatvedības likums*) and VID regulations

7. DATA SUBJECT RIGHTS UNDER THE GDPR

Users domiciled in the EU maintain enforceable rights regarding their personal data:

- **Right of Access (Article 15 GDPR):** Request confirmation and obtain copies of personal data undergoing processing.
- **Right to Rectification (Article 16 GDPR):** Update or correct inaccurate or incomplete personal records.

- **Right to Erasure / "Right to be Forgotten" (Article 17 GDPR):** Request the deletion of personal data when no longer required for contractual or security enforcement purposes.
- **Right to Restriction and Objection (Articles 18 & 21 GDPR):** Restrict or object to the processing of personal data grounded in legitimate interests.

Formal requests can be submitted via the dedicated privacy contact at roleboba.live@gmail.com. Responses are issued within 30 calendar days.

8. SUPERVISORY AUTHORITY

Should you believe your rights under the GDPR have been infringed, you retain the statutory right to lodge a formal complaint with the national supervisory authority of the Republic of Latvia:

- **Authority:** Data State Inspectorate of Latvia (*Datu valsts inspekcija — DVI*)
- **Address:** Elijas iela 17, Rīga, LV-1050, Latvia
- **Email:** info@dvi.gov.lv
- **Website:** www.dvi.gov.lv

9. COOKIE POLICY

The website utilizes strictly necessary technical cookies to facilitate session persistence, secure authentication, and online shopping cart navigation. No third-party profiling or tracking cookies are initialized without explicit prior opt-in consent.

10. POLICY UPDATES

The Service Provider reserves the right to modify this Privacy Policy. The latest version will continuously remain published on the official web portal with an updated revision date.
